And that we may not

pleasure heretofore to record the rise and pro-We have been informed by a gentleman of high position, and whose statements in one can dould, that, in a recent interview with Mr. Guthric, ho (Mr. Guthric) stated that soon after the nomination of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for the day of the condition of Mr. Breckinridge's nomination and pledge himself to his appront. To this he replied inordinate pride and ambition. He has been informed by a gentleman of high position, and whose statements in one can dould, the restoration of national larmony, mutual good-will, and of individual good nature this is the one great want of nur land, in all times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for there is nothing of the Luciler in times, for the could not support. To this he replied conditions and recruitments and the such as the condition of Mr. Breckinridge's nomination and the such as the condition of Mr. Breckinridge's nomination and the such as the condition of Mr. Breckinridge's nomination and the such as the condition of Mr. Breckinridge's nomination and the such as the condition of Mr. Breckinridge's nomination and the condition of Mr. Breckinridge's nomination and the condition of Mr. Breckinridge's nomination and the condition of Mr. Breckinridg gress of John C. Breckinridge, and now we most cruelly used by his friends, or rather most lamentably abused; he has been forced most lamentably abused; he has been forced giving aid to the election of Lincoln."

comphatically, "that he could not support Mr. Breckiaridge, because by so doing he would be trines have been advanced and advocated the North and at the South, in mere spite

most lamentably abused; he has been forced to assume a position and bear burdens at which we know his senso of propriety revolts, and yet he cannot shrink, but must bend his prond

Advocate gave up the name of the Hon. John from lips educated to better utterance, and blown from lips educated to better utterance, and blown we know his sense of property revoles, and yet he cannot shrink, but must bend his prond yet he cannot shrink, but must bend his prond yet he cannot shrink, but must bend his prond yet he cannot shrink, but must bend his prond yet he cannot shrink, but must bend his prond yet he cannot shrink, but must bend his prond yet he cannot shrink, but must bend his prond yet he cannot, for their lives, tell the same story trigogram of the cannot shrink, but must bend his prond yet he cannot, for their lives, tell the same story trigogram of the cannot shrink, but must bend his prond yet he cannot, for their lives, tell the same story trigogram of the cannot shrink, but must bend his prond his prond his prond his prond yet he cannot, for their lives, tell the same story trigogram of the cannot horrify his personal friends by sugard the property of yeurs of the time you called on me to know that passed at the time you called on me to know that passed at the time you called on me to know that passed at the time you called on me to know that passed at the time you called on me to know that passed when yet he cannot, for their lives, tell the same story trigogram of the cannot, for their lives, tell the same story trigogram of the cannot, for their lives, tell the same story trigogram of the cannot, for their lives, tell the same story trigogram of the cannot, for their lives, tell the same story trigogram of the cannot, for their lives, tell the same story trigogram of the cannot, for their lives, tell the same story trigogram of the cannot, for their lives, tell the same story trigogram of the form lives deducted to better interance, and blows have bead the Northern and the Northern and the Northern and the Northern and the Southern mind need rest and repose, in order to Mr. Guthring and their own in a note to Mr. Guthring and their own in a note to Mr. Guthring and their own in a note to Mr. Guthring and their own in a note to Mr. Guthring and their own discount of the covers of this southern mind need rest and repose, in

visers have bad taste and worse tact, and they cannot, for their lives, tell the same story triweckly. They have intermittent spells of bold houesty, when the fever is on them, but the next day it is chilled off, and we have sensented to him the substance of the party had one been made, but that the division must next day it is chilled off, and we have sensented to him the substance of this conversation with J. C. Massen, I stated to him the substance of this conversation with J. C. Massen, I stated to him the substance of this conversation with J. C. Massen, I stated to him the substance of this conversation with J. C. Massen, I stated to him the substance of this conversation with J. C. Massen and the sense of the Union which the way so eloquently and admirably advocated by the gallant and true hearted Crittenden In his substance of the party had one been make, but that the division must have voted for the nominee of the party had one been make, but that the division must have one been make, but that the division must have one been make, but that the division must have one been make, but that the division must have one been make, but that the division must have one been make, but that the division must have one been make, but that the division must have one been make, but that the division must have one been make and provided for. And na true hearted Crittenden In his gallant and true hearted Crittenden In his gallant less mumbling and chattering. Now it is well known to every body that the Louisville Courier, the Frankfort Yeoman, and the Lexington or Mr. Douglas, except to regret that the two inations had been made. nnd solemnly affirmed that Moj. Breckinridge was not at West Liberty, Morgan coupty, and Statesman have all held up their right hands, that if he was there he didn't make a speech, and that if he did make a speech it was not a The reader will see, that, although the edi-

t was merely a reference to his famous Lex- deny having said to them that he could not but the one broad and distinct hue was a deniputting their death-glory on—the maple its assertion that he was at home at the time we have confidence in Mr. Guthrie's patriotism, and we have no doubt whatever that he regrets their death-song dreamily and deliciously | The Frankfort Yeonian comes to our resence | deeply the action of the factions that nomiand relieves us and our correspondents from all nated Mr. Breekiuridge for the Presidency.

Frost is his avaunt-courier who takes posses- standing promise to friends to visit the place home from a European tour: sion for him. And Frost is here. We have during the fall; that he went as a private citian accidental and most agreeable enincidence, I an accidental and most agreeable enincidence, I sailed from Boston on the 15th day of June, 1859. seen him; we have felt his presence: the little zea, without secking or wishing any demonleaves have clothed themselves, in the bright strations along the way and attended by a few strations along the way and attended by a few ber, 1860, in one and the same staunch old steam-the friends. The Yeomau gives us an insight into gemmed livery; and the orehards blush and the Major's character that we were not pre-America-than it is that I brought hark with me

the Major's character that we were not prepared livery; and the orchards blush and brighten to do him tributary honor.

Late in the hashed nights of September how intense is the starriness of the heavens, and we say "the night is starry and cold, my friend," to the other shadow of our sualight (if our expression finds it expedient to draw a pension from Alfred Tennyaon), and we know what makes those little children of heaven the stars twinkle so: they are crowding together and telling and whispering merry stories, and shive the magnanimity was caution, for the magnanimity was caution, fo telling and whispering merry stories, and shivering together, trying to keep their celestial teet from freezing, while, necording to Mr. Bryant's theory, they "cliath the heavens and go." And, maybe, they are striving to be merry because they know the terrible Frostighost in his white drapery is walking the hashed midnight; perchance they see him already clothed in his ermine—at least they see his hreath which is no breath either, but a hauntclothed in his ermine—at least they see his hreath which is no breath either, but a haunting exhalation of ghost-land. Now and then a wind gets startled from its sleep and makes all the leaves shudder with its fright, awaking with cold beads on their beautiful faces. Afterward, carly in the still mornings, the sun, when he

for Washington. Sr. Lacis, October 3. The Repuldican puldishes a speech delivered yesterday by Mayor Jackson, Governor clect, who recently spoke in the Breckinridge State Convention and has since been claimed by the Breckin-tion and has since been claimed by the Breckin-tion and the spoke in the Breckinridge State Convention and has since been claimed by the Breckin-tion and the spoke in the Breckinridge State Convention and has since been claimed by the Breckin-tion and the spoke in the Breckinridge State Convention and the spoke in the recently speke in the Breckinridge State Convention and has since been claimed by the Birckinridge men as in favor of their candidate. Therefore a committee of Douglas men was recently
appointed to inquire whether he intended to support Douglas or Breckinridge. Jackson's speech
was a reply to the interrogatories propounded by
the committee. He commenced by stating that
he was never more anxious to be understood, and
desired the serious attention of every one present.
I stated emphatically before the election that is
believed Douglas the nomines of the Democratic
party. So I now believe. Mr. Jackson spoke of
his efforts to secure barmonicus action between
the Democratic Central Committea and the
Breckinridge Convention, regretting his failure,
and challenging ony Breckinridge and Lane.
The then gave his reasons for supporting Douglas, suythat he, Jackson, uttered any romark in the
Convention indicating that he had changed or
designed supporting Breckinridge and Lane.

The then gave his reasons for supporting Douglas, suythag: "To prevent all misupprohensions, in
the top of the party. I formed
my opinion that Douglas was I he regular moninee from the reports in the Baltimore Exchange.

The convention of the party. I formed
my opinion that Douglas was I he regular moninee from the reports in the Baltimore Exchange.

The convention of the party of the par vote for him, and I have never said I intende doing anything elsc."

BALTIMORE, Oct. 3.

FAYETTEVILLE, ARK., Oct. 3. FAYEITEVILLE, ARK., Oct. 3.

The murderer of the two persons whose bodies were found on the mountain road between this place and Van Buren on the 23d ult, were brought here last night. This morning a large crowd collected and insisted upon hanging the man at once, but by the repeated efforts of some of our most influential citizens the crowd was thally prevailed upon to allow his captors to take him back to the county. In which be committed the deed, It is thought that he will be hung to-day or to-morrow. His wife is in custody as accessory to the deed.

ad other dependencies. For several generations alty, engaged in revolts, in love intrigues, and the various excitements of the medieval courte, till, in 1594, wa find a Bourbon king. Henri IV., whose claims to the crown of France, by marriago, were sometimes strongly contested, firmly seated on the throne of France. He was the first, and, as far as history records, the best a adablest of the royal Bourbons. He succeeded in restoring peace to the country, though he made many enemies on account of his religious apostaclee, and was assasslasted in 1610 by Ravaillac, at the instigation of facatics. This base act, bowever, was not successful in overthrowing his dyilty, engaged in revolts, in love intrigues, and October I, says: ever, was not successful in overthrowing his dy- to this place. ccupied tha throne after him, uader the titles of ouis XII., Louis XIV., Louis XV., Louis XVI., Louis XVIII., and Charles X. Of these Louis luartorze, "le Grande Monarque," from his ambitioa and proloaged reign of seventy-two years, and Louis XVI., who met a tragic death on the scaffold, have received the most attention from

brother of Louis XIV., thea came into power, n the person of the late Louis Philippe, who eigned eighteen vears. Whatsver may be thought of these Bourbon onarchs personally, it is certain that France, un er their rule, mede rapid strides in power and wealth. Henri IV., Louis XIV., and Louis XVI. tand out in bold relief from the insignificance of nral march of progress, of which the two Napore been the principal cause of the downfall of

The Bourbons of Naples have ruled over the Two Skilles but little over a ceatury, yet in that hort time have covered their dynasty with everthe Two Sicilies from its Austrian rulers, an agular Interest to his reign. In 1825 Ferdinar minutive offshoot of his father, and while the ther received the nickname of Bomba, the for

nifest any very decided characteristics in an ay, and the same may be said of the you oyal cxile of Naples. They both, however

mied disposed to follow the examples of their efore intimated, must be drawn in more vivi lors than that of the English. The historian he "Four Georges" records card-playing, con labbles, licentiousness, family quarrels, obstir y, and coarseness. Bad enough, to be sure, bu ten relieved by instances of charity, virtue, and nd heads," as Byron hath it; infamous cruelties rthy of the darkest nges; life-long incarceraion of men guilty only of too great a love for neir country; and all the vile deeds of despotism which bave rendered the fallen dynasty of the

lensed into a few lino: As Carlos V. lsid | thor. own the crown of Naples for that of Spain, so he d deserted the ducal chair of l'arma for the harles was cruel and unpopular and was assassi nated in 1851, his widow ruling after him as re-

rma became incorporated with the dominions of Modena is from the Austrian Ha burgs, but his family is closely allled by various marriages to the Bourhon We now come to the Spanish branch. Philip,

Duke of Anjou and grandson of Louis XIV. o France, was the first Spanish monarch of the Bourbon family, and be gained the crown as heir To Carlos II., the last of the Spanish kinga of the Austrian race. He ascended the throne in 1700, ander the title of Philip V. and throne in 1700, ander the title of Philip V. under the title of Philip V., and ruled forty-slx salea at 36638c for Western, Canadian, and State. Pork

But if the family is nearly extinct de jure, it is not de fucto. There are descendants enough lo claim all the thrones in Europe. The representative of the old French Bourbons is the Duka de Chambord, who arrogates to himself the title of lifenry V., and will have a just right to it if he ever gets on the throne. The Orleane family—who, after all, are but a hranch of the Bonrbons—Hillinois Central crip 25%; Cleveland and Dictayo 76 is illinois Central crip 25%; Cleveland and Central crip 25%; Clevelan are represented by the young Count of Paris. Queen Isabella has children to succeed her to the throne of Spala, and conslus (the Counts de Mon-

ruce unable to get their heritages. It is, howev- ville Oct. 2d, at 12 o'clock. Three feet scant at Scuilleer, their own fault. They have invoked their
